August 25, 2017

Dear Sir / Madam,

Perrysburg Orchestra Boosters are pleased to invite you to become a corporate sponsor of the Perrysburg Orchestra program, which provides orchestral music education to over 650 students in 5th through 12th grade.

The Perrysburg Orchestra program is a vital part of the rich cultural tradition of the community. Your support of the program will enhance the education of children in Perrysburg while simultaneously boosting your visibility in Perrysburg and beyond.

Corporate sponsors secure **prime advertising space** in each orchestra concert program as well as the Perrysburg Orchestra Booster website. With 11 concerts per academic year (beginning September 20), your advertisement and sponsorship will reach thousands in the Perrysburg area.

The enclosed flyer provides details about each sponsorship level. Briefly, four levels of sponsorship are available:

🎵 Bronze Baton – \$500
🎵 Silver Baton – \$1500

🎵 Gold Baton – \$2500
🎵 Conductor's Baton – \$5000

Corporate sponsors make a major difference in the music education of Perrysburg students. Corporate funds support professional master classes, musical instrument and equipment purchases, scholarships, trips to regional and national competitions, and more. Corporate sponsors enhance the lives of hundreds of students.

To become a corporate sponsor, learn more about the Perrysburg Orchestra Boosters, or contribute at a level not listed above, please contact me by phone at (419) 704-9376 or by email at pburgorchestraboosters@gmail.com.

For more information about the Perrysburg Schools Orchestra Program, please contact PHS Orchestra Director Michael Smith at (419)351-5789 or MSmith@perrysburgschools.net.

We truly appreciate your support in promoting music education at Perrysburg Schools and look forward to hearing from you soon.

Sincerely,

Melissa K. Miller
Corporate Sponsor Chair
Perrysburg Orchestra Boosters
